THE PROGRAM

(BRING YOUR OWN CASE)

This intensive 5 day skills workshop is designed for criminal defense attorneys. The Institute offers information that will increase your knowledge and exercises that will increase your skills. Topics covered include development of theories and themes, opening statement and closing argument, direct and cross examination, jury selection and attorney-client relationships.

This course will train the legal professional in: Perspectives on recognizing driving behavior exhibited by impaired drivers; Attitudes and skills in detecting the impaired driver; Understanding the tasks and decisions involved in identifying the intoxicated driver; The DWI detection process (vehicle in motion, personal contact, pre-arrest screening); Effects of DWI enforcement; DWI enforcement and the three standardized field sobriety tests (Horizontal Gaze Nystagmus, Walk and Turn, and One Leg Stand); Typical clues of alcohol intoxication; Divided attention testing and the NHTSA standardized field sobriety testing administrative and scoring protocols; SFST validation studies; Live alcohol workshop and demonstrations of different types of nystagmus will be displayed and observed.

The format is a learn-by-doing method, emphasizing extensive participant performance with immediate feedback. Small groups work utilizing participants' actual cases. The format also includes presentations, demonstrations, group discussions and coaching. The seminar will be accredited for **30.0 CLE hours, plus 2.0 ethics hours.**

Participants must commit to attend all sessions for four days.
